sellstrom Knee Pads

KNEEL-EZE® KNEE PADS

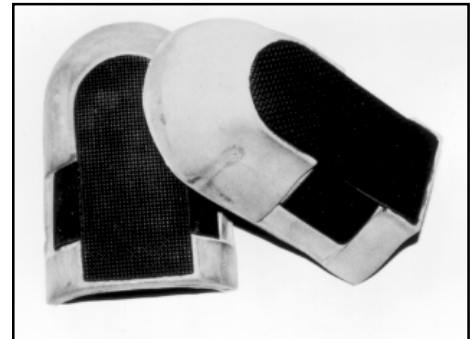

The economical 96101 features an extra wide cotton/elastic strap with our anatomically molded foam pad.

A Best Buy For:

- Painting and gardening • Car and boat maintenance
- Cleaning floors and cupboards • All your household chores

- Snug and Nonbinding
- Comfortable when walking or kneeling
- Fully adjustable hook/loop fastening

**UNCONDITIONALLY
GUARANTEED
AGAINST ANY DEFECTS
IN WORKMANSHIP**

The amazingly durable 96102 offers a super tough second layer of rubber in addition to the 96101's unique features.

Used, Proven and Preferred by:

- Construction tradesmen from concrete foundations to roofing
- Maintenance and repairmen
- Landscapers and gardeners
- Shipwrights

Part No.	Description
96101	Kneel-Eze Knee Pad
96102	Kneel-Eze Knee Pad w/ Rubber Pad

Knee-Pro Ultra Flex II™

Grip Strips

- Easily replaceable
- Long lasting abrasion resistant

Replacement Parts

- Individual replacement parts available
- Re-Fit Kit contains 4 straps, 2 grip strips and 4 speed clips

Knee-Pro Ultra Flex II knee pads provide the ultimate combination of protection, comfort, durability, and reliability. There's no need to fumble with buttons or Velcro® because the speed clips allow you to put on pads fast and adjust them while in use.

- Tough hard plastic outer shell covers and protects entire knee
- Hinged for natural motion of knee
- Lightweight for all-day use
- 1/2" closed cell foam inner pad provides superior comfort
- Elastic woven straps keep pad in place while kneeling, standing and walking
- Speed-Clips allow for quick dressing and are adjustable while worn
